COUNTY COURT NEARLY DONE

Probable an Adjournment Until August Will be Taken Today—Jury Discharged.

The business of the June term of Caledonia County court is nearly finished and it was expected yesterday that an adjournment might be taken some time today. The work for the jury was finished last week and the hearing of court cases begun. Several divorce cases were heard and one proved a long one. The case of Helen M. Parks vs. Robert G. Parks was begun last Saturday at noon and was not finished until late yesterday.

Edward Gilligan, a man who has served many sentences in the local jail and the work house was brought into court yesterday by Deputy Sheriff V. W. Hand of Hardwick and sentenced to 30 days in jail for intoxication.

The last case to come before the court was that of Sartwell, Heindol & Humphrey vs. Norcross and Adams, a case of general assumpsit.

The jury were discharged last week and August 1 when they were called if necessary to hear some criminal cases.

Fred LaPlant was tried on the charge of adultery and convicted. Then Sadie Horner who was charged with the same crime with LaPlant pleaded guilty and their cases continued last sentence.

Joseph Mailleur pleaded guilty to the charge of keeping liquor with intent to sell and was placed in care of the probation officer.

George Prue was charged with taking a young boy named Samuel Sevine, blindfolding and gagging him and throwing him into the Passumpsic river. The boy made his way to the island below the fairground and was rescued by a passerby. Prue was placed under \$500 bail and allowed to go by his own recognizance.

The four breach of peace cases which were docketed a year ago as a result of an attempt to bring an enemy to justice on the part of four men by the "tar and feather process" have been entered nolle-prossed, as recommended by the state's attorney.

The four cases were state of Vermont against E. G. Thompson, W. E. Hanson, N. C. Stevens, Roy F. Stiles, charged with a breach of the peace in an alleged assault on Harry L. Munsey of Barnet. Besides these cases on behalf of the state, there are suits for alienation of affections on the part of Stevens against Munsey and a counter suit for trespass by Munsey against Stevens. These

two civil cases have been entered settled and discontinued, and it is understood that Stevens and his wife are living together again.

Y. M. C. A. SURE OF CUP.

Have Won Enough Games to Shut Out Others—Improvements on the Campus.

Watching base ball games at the campus is pleasanter than in the past as the committee has completed the improvements in the way of bleachers, erecting a wire screen beside the river to stop stray balls, improved the grand stand and are now constructing a dressing room out of the old band stand.

The race for first position and the cup in the Sunset League was finished Monday night when the Y. M. C. A. trimmed the Toilers 5 to 3 in one of the hardest fought games of the season. This gives the leaders eight straight wins and as each of the other teams have lost more than two there is no chance of even tying the Y. M. C. A. The race is now for runners-up with the clerks, Red Men and the 1911 champions, T. A. C., as the contenders. Scores for the past week follow:

T. A. C.	0	1	2	3	4	5	R	H	E

At Lyndonville the Fourth the St. Johnsbury town team managed to score two runs themselves and aided their opponents materially toward accumulating twelve, as can be seen by a glance at the error column. The town work on both sides was good but otherwise the visitors showed to poor advantage. The score:

L'ville	1	2	0	4	5	6	7	8	9	R	H	E
St. J.	1	1	0	0	0	0	0	0	0	2	6	10
Batteries:	Thomas and Burrows, Lavaresse and Cummings.											

What promised to be a fast game last Saturday between the Frontiers of Derby Line and St. Johnsbury was called at the end of the third inning with the visitors in the lead 1 to 0.

SMALLPOX APPEARS AGAIN.

Several cases on Concord Avenue and a few on other Streets.

Last Thursday it was reported to Health Officer Harriman that there was a case of smallpox on Concord Avenue near the poor farm. Caverly of Rutland, president of the state board, came and began investigation. Several cases were found that had nearly recovered from the disease and a few that were just coming down with the disease. Dr. Caverly returned home Sunday.

A bolt of lightning came down the chimney in the residence of Frank E. Harris, but did very little damage. The house of William F. Cox was also struck but only a small part of the roof was damaged. A. C. Harvey, who has just returned from the South for the summer was given a warm reception for the lightning struck his chimney and scattered the same through the house.
